International Specialised Sport Federation Certificate

Certificate for combining elite sports and education at a Swedish Sports University (RIU) or Elite Sports-friendly University (EVL).

To be filled in by the applicant, email to the current Special Sports Association in your home country for approval. An approved student certificate is then submitted by the applicant to the RIU or EVL where the studying is to take place.

Consent to the processing of personal data

Through this form, we request your consent to the processing of personal data. Below is a description of what your consent to the processing of personal data entails regarding the student certificate for RIU / EVL.

Personal data manager

Consent is requested by the current RIU or EVL. Riksidrottsförbundet (RF), Org. no. 802002-8166 may then take part in current information from the respective RIU or EVL. Currently RIU or EVL is responsible for personal data for the personal data processed within the framework of the consent.

The personal data that will be processed are those filled in above in this form. The purpose of processing the personal data is because the current RIU or EVL needs to report the activities linked to this focus for the support they receive from RF. RF then needs to compile this to report the support RF has received.

The data will be compiled at national level in order to be able to show how the investment in dual careers is developing. The personal information will not be disseminated to other parties.

Withdrawal of consent

You can withdraw your consent at any time to our processing of your personal data. Withdrawal of consent takes place by contacting the data protection officer (possibly the Dual career support providers) at your current RIU or EVL.

Consent to the processing of personal data

The undersigned agrees that this information, filled in by the undersigned, certified by the special sports federation, is obtained by the relevant RIU or EVL. The undersigned agrees that the current RIU or EVL then submits some of the information to RF in order to follow up this initiative for dual careers at national level.

Please read more about data protection on each RIU or EVL website and in RF's privacy policy at www.rf.se.
